“Atraumatic Extraction and Bone Grafting Techniques: Site Development for Dental Implants.” Glidewell International Technology Center, Newport Beach, CA	Jan. 26, 2018

Engel Institute Mentoring 2; Advanced periodontics and Grafting; Charlotte, NC	Feb. 9, 2018
“Prosthetically Driven Implant Dentistry: Techniques from A to Z,” and “Setting the Foundation for Predictable, Healthy, Prosthetically Driven Implants.” 153 rd Chicago Midwinter Meeting 153 rd Chicago Midwinter Meeting	Feb 24, 2018
Engel Institute Implant Training Program-Mentoring 1 Live Patient Surgery, Charlotte, NC	March 15-17, 2018
Celebrate Michigan, cable program produced at Madonna University. https://www.njvid.net/show.php?pid=njcore:142955	March 28, 2018
Engel Institute, Mentoring 1: Live Patient Program, Detroit, MI	April 12-14, 2018
“Laser Use in Modern Dental Practices” Webinar with the Digital Dentist and Den Mat	April 17, 2018
Engel Institute Implant Training Program-Mentoring 3, Guided Implant Surgery, Charlotte, NC	April 20-21, 2018
Excellence in Dentistry, Orlando, FL “The Business of Implant Dentistry: How to be Affordable and Profitable.”	April 28, 2018
Practical Techniques for Moving Forward with Implants: Preparation for Cadaver Participation. Webinar conducted by AGD	May 2, 2018
Setting the Foundation for Predictable, Healthy Prosthetically Driven Implants. Allentown, PA Part 1	May 4, 2018
Prosthetically Driven Implant Dentistry: Techniques from A to Z, Allentown, PA Part 2	May 4, 2018
Esthetic Implant Success, Esthetic Solutions Study Club: Exploring Innovations for Clinical Success, Glidewell Lab Newport Beach, CA	May 10, 2018
Surgical Placement of Dental Implants: A Restorative Driven Approach, Glidewell Lab, Newport Beach, CA	May 11,12, 2018
The Business of Implant Dentistry: How to Be Affordable and Profitable. Oakland County Dental Society, Pontiac, MI	May 15, 2018

Engel Institute Mentoring 2; Advanced periodontics and Grafting; Charlotte, NC	May 17-19, 2018
Simple Solution to Accurate Freehand Mesial-Distal Implant Spacing utilizing a combined pilot drill and alternative surgical guide. Vue Medi	May 30, 2018
AGD National Convention, New Orleans, LA Implants and the GP: Where do we start? Setting the foundation for implant placement: A discussion of Atraumatic extraction techniques and socket preservation procedures How to place posterior implants: Can I use conventional radiographs Or is 3d better? Anterior implants: Emergence profile is important in the esthetic Zone. CBCT analysis and planning from A to Z What are Hybrids? What you need to know about implant hybrids and Bridges	June 7, 2018
AGD National Convention, LSU dental school Practical techniques for moving forward with implants: A Cadaver participation course	June 8, 2018
AGD National Convention, New Orleans, LA Laser use in modern dental practices	June 8, 2018
Revolutionizing Your Practice with Lasers: A one day Live patient hands on course, Lansing, MI	June 10, 2018
Vue Medi "Easy Crown Removal with Wam Key.	June 19, 2018
Engel Institute Implant Training Program-Mentoring 3, Guided Implant Surgery, Charlotte, NC	June 28-30, 2018
Surgical Placement of Dental Implants: A Restorative Driven Approach, Glidewell Lab Louisville, KY	July 27,28, 2018
Engel Institute, Mentoring 1: Live Patient Program, Detroit, MI	Aug 9-11, 2018
Engel Institute Mentoring 2; Advanced periodontics and Grafting; Charlotte, NC	Aug 24,25, 2018
Surgical Placement of Dental Implants: A Restorative Driven Approach, Glidewell Lab Lansing, MI	Sept 7,8, 2018
Engel Institute, Mentoring 1: Live Patient Program, Charlotte, NC	Sept 13-15, 2018
Engel Institute Implant Training Program-Mentoring 3, Guided Implant Surgery, Charlotte, NC	Sept 20-22, 2108

Innovative Uses for the Osteogen Plugs and Strips. AAID: The Future is Now. Main Podium, Dallas, TX	Sept 26, 2018
One-Step Alveolar Ridge Preservation without the Need for a Membrane, plus Advanced Surgical Concepts in Bone Regeneration. AAID: The Future is Now, Dallas, TX	Sept 27, 2018
Revolutionizing Your Practice with Lasers: A One Day Hands on Course. Den Mat. Anaheim, CA	Sept 28, 2108
Atraumatic Extractions, Socket Preservations and Surgical Placement of Implants. Louisville, KY	Oct. 12, 2018
The Single Tooth Implanbt. Glidewell Symposium Washington DC	Oct. 19, 2108
Atraumatic Extractions, Socket Preservations and Surgical Placement of Implants. Hands on Program Glidewell Symposium, Washington DC	Oct. 20, 2018
Predictable Grafting for any Experience Level and any Patient Budget Following Atraumatic Extraction. The Digital Dentist Webinar	Oct. 23, 2018
Engel Institute Mentoring 2; Advanced periodontics and Grafting; Charlotte, NC	Oct. 26-27, 2018
Unique Materials Used for Both Graft and Membrane in Socket Preservation" by Dr. Tim Kosinski, Smile Creator, Bingham Farms, MI. Unique Materials Used for Both Graft and Membrane in Socket Preservation	Oct. 24, 2018
Engel Institute, Mentoring 1: Live Patient Program, Charlotte, NC	Nov. 16-17, 2018
Engel Institute, Mentoring 1: Live Patient Program, Detroit, MI	Dec.6-8, 2018
Revolutionizing Your Practice with Lasers: A one day hands on course. Dallas, TX	Dec. 14, 2018
Revolutionizing Your Practice with Lasers: A one day hands on Course. LVB Education sponsored by Dr. Albert Lee, Annapolis Maryland	Jan 4, 2019
Dentaltown Learning Online. "Anterilr Implants: Emergence Profile Is Important in the Esthetic Zone."	Jan 16, 2019

Revolutionizing Your Practice with Lasers: A one day hands on course. Miami, FL	Jan 25, 2019
Engel Institute Mentoring 2; Advanced periodontics and Grafting; Charlotte, NC	Feb 1-2, 2019
Setting the Foundation for Predictable, Healthy, Prosthodontically Driven Implants. 2019 University of Alabama School of Dentistry Alumni Week-end, Birmingham, AL	Feb 9, 2019
Prosthodontically Driven Implant Dentistry: Techniques from A to Z 2019 University of Alabama School of Dentistry Alumni Week-end, Birmingham, AL	Feb 9, 2019
One-Step Alveolar Ridge Socket Preservation without the Need of a Membrane, Plus Advanced Surgical Implant Concepts in Bone Regeneration. Phoenix, AZ ICOI national convention	Feb 14, 2019
Surgical Placement of Dental Implants: A Restorative Driven Approach, Glidewell Lab, Newport Beach, CA	Feb 15-16, 2019
Engel Institute Implant Training Program-Mentoring 3, Guided Implant Surgery, Charlotte, NC	March 30, 2019
Revolutionizing Your Practice with Lasers: A one day hands on course Santa Monica, CA	March 22, 2019
Atraumatic Extraction and Bone Grafting Techniques in Preparation For Dental Implants, Rutgers School of Dentistry, AAID Maxicourse	April 5, 2019
Surgical Pathways for Implant Dentistry, The Kellogg Center Lansing, MI	April 10, 2019
Engel Institute, Mentoring 1: Live Patient Program, Detroit, MI	April 11-13, 2019
Prosthodontically Driven Implant Dentistry: Practical Techniques from A to Z. Star of the North, Minneapolis, MN	April 26, 2019
Setting the Foundation for Predictable, Healthy Prosthodontically Driven Implants Star of the North, Minneapolis, MN	April 26, 2019
